1. COMPANY PROFIL ABOUT US

Madoors is an innovative engineering company and manufacturer of access control system and security equipments.

Madoors is a family business company founded by three brothers; a PublicAccountant, a Civil Engineer and Mechanical Engineer. Our factory and offices are established in Ankara/TURKEY.

We believe that continuous success depends upon the ability to provide superior quality products and services at the lowest possible prices. We promote passion to transcend with a Madoors spirit at all levels of organization. Integrity and commitment to costomer satisfaction are our core values. Madoors, founded in 1986, we can claim a wealth of experiance in the manufacture of high security barricade and barrier systems and have a proven track record that is difficult to surpass.

We have developed an impressive range of product ranging from PAS68/K12 anti terrorist Road Blockers to Ballistic, Bulletproof, Armored Guard Booth, Guard Shack and armory cabinet, designed to enhance the security of premises and improve the protection of personel. Since our entry into the security field we have gained an uotstanding reputation for quality and reliability. Sites supplied over the years include global corporations, banks, airports, government buildings and palatial sites.

Since establishment, it has grow rapidly in a short time by creating a team of field specialists with knowledge and experience at the highest level, respecting human health, closely following tecnological advences and informatics world and it has been one of the leading companies and high security automatic gate systems in Turkey.

Our short-term goal is to create new values for our customers in the light of this- success by developing new and orginal design without compromising our quality and to stand by our customers not only during the sales but also after the sales. Our long-term goal is to increase our production by using our resources efficiently and accurately in line with the expectations of current and future customers and to create global brands with our products by expanding our existing point of sales to the most important centers for automatic gate systems in the world.

OUR PRODUCT

Automatic Rising Bollard
Flood Defence Protection Systems
Road Blocker
Under Vehicle Surveillance Systems
Spike Barriers, Tyre Killers
Drop Arm Barriers
Chain Barriers
Kumkoy Barrier
Sliding Gate
Swing Gate
Folding Gate
Aircraft, Shipyard Hangar Doors,
PVC High Speed Doors
Sectional Doors, Rolling Shutters
Revolving Door
Automatic Door
Parking Systems
Automatic Number Plate Recognition
Access Control Systems
X-Ray
Robotic, Bomb Disposal
Ballistic, Bulletproof, Armored Guard Booth and Guard Shack
Weapons Storage, Armory Cabinets
Safety Deposit Box
Rocket Blocket Wire
Document, Paper Shredder
Flag Pole, Flag Handling System
Coronavirus COVİT-19 Prevention Equipment
Automatic Vehicle Restraint Systems
