

Madoors

Innovative Engineering

We're **Madoors**

We provide solutions you need

Madoors is an innovative engineering company and professional manufacturer of security equipments and access control systems which located in **Ankara, TURKEY** since **1986**. We believe that continuous success depends upon the ability to provide superior quality products and services at the lowest possible prices. We promote passion to transcend with a Madoors spirit at all levels of organization. Integrity and commitment to customer satisfaction are our core values. We can claim a wealth of experience in the manufacture of high security barricade and barrier systems and have a proven track record that is difficult to surpass. We have developed an impressive range of products, ranging from **PAS 68 / K12 high security road blockers** to **traffic automatic rising bollards**, designed to enhance the security of premises and improve the protection of personnel. Since our entry into the security field we have gained an outstanding reputation for quality and reliability. Sites supplied over the years include global corporations, banks, airports, government buildings and palatial sites. We pride ourselves on being one of the leaders in the design and manufacture of high security crash rated products.

Countries we sold our products already

We export our products all over the world. You can find the countries below:

Ukraine, Azerbaijan, Turkmenistan, Montenegro, Mongolia, Syria, Saudi Arabia, Iraq, Libya, Egypt, Algeria, Somalia, Burkina Faso, Qatar, Afghanistan.

Madoors's Previous UN Project

Madoors was preferred by the **United Nations Turkey** with its experience and reliability in *ballistic guard booth, automatic rising bollards and drop arm barriers*.

Madoors Turnstiles

Madoors turnstiles are widely used in factories, buildings, amusement parks and stadiums to restrict and control unauthorized access. We provide a wide range of turnstiles in high quality materials which is made of stainless steel for the indoor and outdoor applications. For special customized application we do offer our turnstiles in stainless steel and these products can be installed in marine applications, near the sea shore where the climatic conditions are much extreme. Our outdoor turnstiles are water protected hence they can be installed for outdoor applications.

Madoors turnstiles can be also integrated with access control systems for various applications and we also do offer customized solutions with accessing the facility with ticket systems for a wide range of applications such as scenic, sports facilities, tourist destinations, stadiums and other commercial arenas etc.

Madoors offers both half height and full height turnstiles which can be used for bi-directional or uni-directional operations that allows one person to pass at a time. It can also enforce one-way traffic of people and restrict passage only to people who are unauthorized or similar. Thus, can be used in the case of paid access purpose on public transport or restrict access to authorized people on a building. Used at a wide variety of settings, including stadiums, amusement parks, museums, mass transit stations, office lobbies and others.

Turkish Naval Forces Command

General Command of Gendarmerie

Our Certificates

We have many certificates for our wide range product and customer profile. For Europe, African and CIS countries generally needed certificates which we have are EN ISO 9001, K12 and PAS68 Crash Test Certificates.

Our Other Products

We are an innovative engineering company. So our customers need is the key value for our products. We can manufacture anything you want in our factory. Along with that our products can be classified as below:

DROP ARM BARRIERS

Madoors

CHAIN BARRIERS

Madoors

HESCO BARRIER

Madoors

SLIDING GATE

Madoors

WEAPONS STORAGE, ARMORY CABINETS

Madoors

SAFETY DEPOSIT BOX

Madoors

PARKING SYSTEMS

Madoors

AUTOMATIC NUMBER PLATE RECOGNITION (ANPR)

Madoors

ACCESS CONTROL SYSTEMS

Madoors

X-RAY

Madoors

ROBOTICS, BOMB DISPOSAL

Madoors

BALLISTIC, BULLETPROOF, ARMORED

Madoors

FLAG POLE, FLAG HANGING SYSTEM

Madoors

DOCUMENT, PAPER SHREDDER

Madoors

GUARD FOOT HEATING SYSTEM

Madoors

ROCKET BLOCKER WIRE
